

Fiji: an Encyclopaedic Atlas

Crosbie Walsh

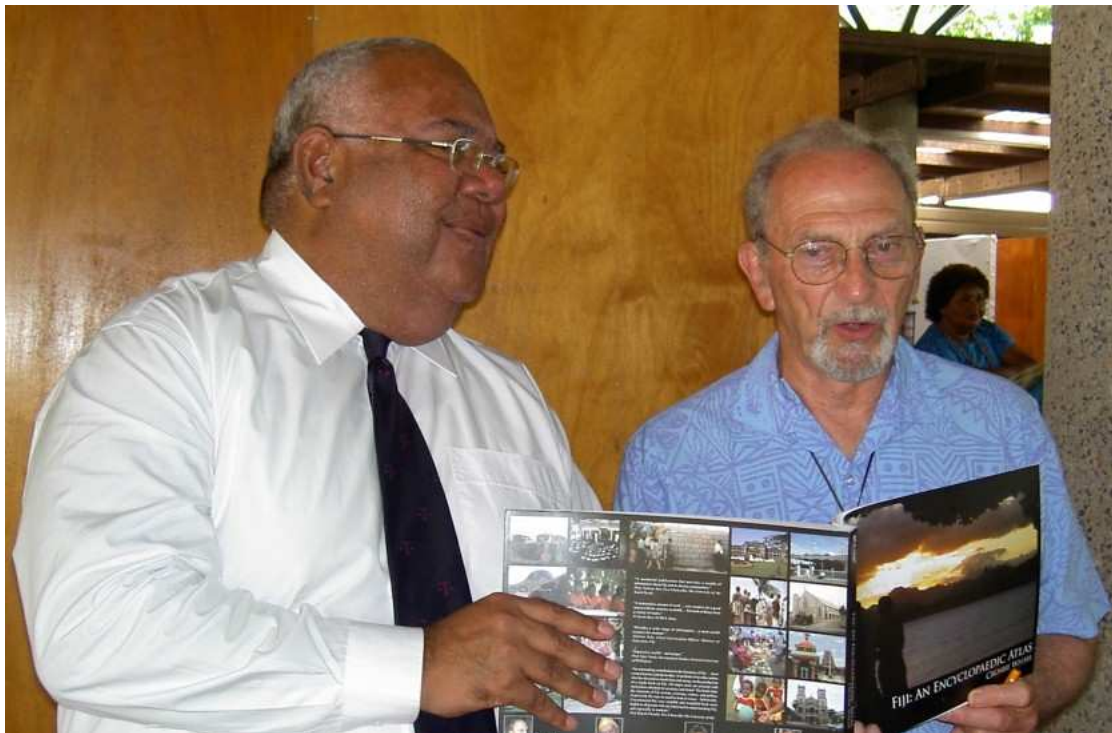

A one-off opportunity to purchase a landmark publication that will not be replicated for many years to come

440 pages of text, 270 maps, 230 charts and 170 tables on 17 major topics and 183 sub-topics. Detailed descriptions, analysis and commentary. Also, Basic Facts on Fiji, Historical Timeline, list of Fiji websites and NGOs, extensive Bibliography, Author Index.

Independent reviewers use words like 'wonderful', 'unique', 'outstanding'. Fiji's Vice-President, Ratu Joni Madraiwiwi (pictured with the author, below), called it 'an impressive achievement, a basic tool of research ... It is about a 'living, breathing country in the entirety of its existence – a snapshot of us in time'.
